

Declaration, Power of Attorney and Petition

WE (I) the undersigned inventor(s), hereby declare(s) that:

My residence, post office address and citizenship are as stated below next to my name,

We (I) believe that we are (I am) the original, first, and joint (sole) inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled

IN-PLANE SWITCHING LIQUID CRYSTAL DISPLAY DEVICE AND METHOD FOR FABRICATING THE SAME

the specification of which

G is attached hereto.

G was filed on

as Application Serial No.

and amended on

G was filed as PCT international application

Number

on

and was amended under PCT Article 19

on (if applicable).

We (I) hereby state that we (I) have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We (I) acknowledge the duty to disclose information known to be material to the patentability of this application as defined in Section 1.56 of Title 37 Code of Federal Regulations.

We (I) hereby claim foreign priority benefits under 35 U.S.C. '119(a)-(d) or '365(b) of any foreign application(s) for patent or inventor=s certificate, or '365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor=s certificate, or PCT International application having a filing date before that of the application on which priority is claimed. Prior Foreign Application(s)

DECLARATION OF KYEONG-A SHIN

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

I, Kyeong-A Shin, hereby declare the following:

1. About six months after filing the Korean Patent Application No. 2000-39404, I began preparing a patent application for filing in the United States through a Korean law firm, Neit International Patent & Law Office (Neit) corresponding to the Korean Patent Application. Together with Neit and under my direction, a draft of the U.S. Patent Application was prepared, which included translating the Korean application and forwarded the draft application to the U.S. patent attorney on June 8, 2001. Since the Korean patent application was already written, the inventor did not need to be contacted to complete the draft U.S. application. The U.S. attorney reviewed and edited the patent application to place the application in good form for U.S. practice and sent it back to me on July 5, 2001. On July 10, 2001, through Neit, I instructed the U.S. attorney to file the application without the declaration. The U.S. application was filed on July 10, 2001, which is one day before the one-year anniversary date of the priority date of the Korean Application. Subsequent to the U.S. filing, we received a Notice To File Missing Parts dated August 24, 2001.
2. I have made a diligent effort to contact Jong Sung Kim, who is a joint inventor in the above-identified application, to obtain a Combined Declaration and Power of Attorney executed by him, as explained below.
3. On or about April 19, 2001, under my direction, Neit sent a letter by registered mail including the Combined Declaration and Power of Attorney for Jong Sung Kim's execution to his last known address, but the letter was returned back to Neit, as evidenced by attached returned envelope.
4. Jong Sung Kim's last known address in Korea is 808/504 Byolbitmaul, Hwajong2-dong, Dukyang-gu, Koyang-shi, Kyonggi-do 412-272, Republic of Korea.
5. In attempting to locate Jong Sung Kim, I also called his last known telephone number both at work and at home in the Republic of Korea, but Jong Sung Kim was not reachable at both of these numbers because he left his employment at LG.Philips Co., Ltd. and moved from his last known address.

6. On or about June 2001, I obtained a mailing address and an email address for Jong Sung Kim in Canada. At that time, I emailed a copy of the Combined Declaration and Power of Attorney to Jong Sung Kim.
7. Jong Sung Kim's last known address in Canada is: #A6 2808-116 St., Edmonton, Alberta, CANADA T6J 4G2, 780-431-0776. His last known email address is: cajskim@hotmail.com.
8. On or about August 14, 2001, while visiting the office of Long Aldridge and Norman LLP in Washington D.C., I spoke to Jong Sung Kim by telephone. During the telephone conversation, Jong Sung Kim assured me that he would execute the Combined Declaration and Power of Attorney and return the executed Combined Declaration and Power of Attorney to LG.Philips Co., Ltd.'s U.S. patent counsel, Mr. Song K. Jung of Long Aldridge and Norman LLP. Even after several additional reminders, both by email and telephone, subsequent to August 14, 2001, Jong Sung Kim did not send the executed Combined Declaration and Power of Attorney. It is my belief that, in view of the foregoing, Jong Sung Kim is refusing to execute the Combined Declaration and Power of Attorney.
9. I do not currently have any other address, telephone number, or other information for contacting Jong Sung Kim.
